ORNL Undergraduate & Graduate Internship Opportunities For Summer 2024

(Programs sponsored by DOE, NNSA and by ORNL which are still accepting applications for internships for summer 2024.)

INTERNSHIP PROGRAMS

- **DOE WDTS Program: Science Undergraduates Laboratory Internships for Undergraduates (SULI)**
  - Discipline: STEM
  - Schedule: 10 weeks - Apply by January 9, 2024

- **DOE OMNI Technology Alliance Internship Program (OMNI)**
  - Discipline: Cyber security, engineering, IT-related fields
  - Schedule: 10 weeks – Apply by January 15, 2024

- **NNSA Minority Educational Institution Student Partnership Program (MEISPP)**
  - Discipline: Undergraduates/graduates at MSIs in STEM and non-STEM disciplines
  - Schedule: 12 weeks – Apply by February 15, 2024

- **ORNL Programs: Undergraduates/Graduates**
  - Research Student Internship (RSI)
  - Technical and Professional Internship (TPI)
  - Disciplines: RSI for students in STEM. TPI for students interested in business/technical careers supporting R&D.
  - Schedule: 10 to 12 weeks or 12 months for recent graduates only – Apply by February 22, 2024

- **UT-ORII SMaRT Internships Program (SMaRT)**
  - Eligibility: Undergraduates
  - Schedule: 10 Weeks - Apply by TBD

RESEARCH COLLABORATIONS PROGRAMS

- **DOE WDTS Programs**
  - **Office of Science Graduate Student Research Program (SCGSR) for PhD Students**
    - Award period is 3-12 consecutive months
    - Dates for applications are given here

- **ORNL Programs**
  - **Graduate Research at ORNL (GRO) for PhD Students**
    - Award period is 3-12 consecutive months
    - Award vary based on arrangements between ORNL mentor (s) and the student's university
    - Program designed to be flexible in the time spent doing research at the student's home university and ORNL

- **UT-ORII: The Bredesen Center (Bredesen)**
  - Eligibility: BS or MS degree with an interest in doctoral studies in energy science and engineering, data science and engineering, or genome science and technology,
  - Apply by January 15, 2024

> Note: Most programs for undergraduates may also apply to recent associate and bachelor graduates (within 2 years of graduation).
